

Surgery in the New Era

8th IESS cum 6th HPB

International
Endolaparoscopic Surgery Symposium

International
Symposium for Hepato-Pancreato-Biliary Surgery

Scientific Programme Day 1

4 Dec 2021 (Sat)

Format: Zoom Webinar

Time	Surgery/Keynote lecture	Speaker/Surgeon
10:50-11:00	Welcome address	Chung Ngai TANG
	<u>Session I: Colorectal</u> Moderator: Chi Wai LAU, Simon NG, Wai Hong CHAN, Alex LEUNG	
11:00-11:15	Fluorescence imaging technology for colorectal cancer surgery	Gyu Seog CHOI
11:15-11:30	The best approach for low rectal cancer	Peter CHEN
11:30-11:45	Laparoscopic lateral pelvic lymph node dissection for advanced rectal cancer	Takashi AKIYOSHI
11:45-12:00	Innovation and colorectal surgery	Antonio LACY
12:00-12:30	Panel discussion	
12:30-12:45	Break	
	<u>Session II: Upper GI</u> Moderator: Carmen CHU, Hon Chi YIP, Jerome LAU	
12:45-13:00	Beyond MIS in gastric cancer	Han Kwang YANG
13:00-13:15	Image guided vascular navigation surgery for gastric cancer	Woo Jin HYUNG
13:15-13:30	Current management of gastric cancer with peritoneal metastasis: the State-of-Art	Jimmy SO
13:30-13:45	Indication and techniques of superior mediastinal dissection during minimally invasive esophagectomy	Hon Chi YIP
13:45-14:15	Panel discussion	
14:15-14:30	Break	
	<u>Session III: Endocrine</u> Moderator: Wai Keung CHICK, Lorraine MA	
14:30-14:45	Tips for challenging adrenalectomies	Eren BERBER
14:45-15:00	Technical tips and tricks for Transoral Robotic Thyroidectomy (TORT)	Hoon Yub KIM
15:00-15:15	Robotic transaxillary thyroidectomy from DaVinci SI to DaVinci XI: how to overcome some drawback. Personal experience	Micaela PICCOLI
15:15-15:30	Robotic BABA thyroidectomy--PYNEH experience	Chi Yee CHOI
15:30-16:00	Panel discussion

International
Endolaparoscopic Surgery Symposium

International
Symposium for Hepato-Pancreato-Biliary Surgery

Scientific Programme Day 2

11 Dec 2021 (Sat)

Format: Zoom Webinar

Time	Surgery/Keynote lecture	Speaker/Surgeon
	Session IV: Urology Moderator: Chi Wai FAN, James LI, Ning Hong CHAN	
11:00-11:15	Navigation PCNL - Hong Kong experience	Lysander CHAU
11:15-11:30	Application of Robot-assisted Laparoscopic Sacrocolpopexy in Cystocele	Kyu Sung LEE
11:30-11:45	Novel treatment for benign prostatic hyperplasia	Peter CHIU
11:45-12:00	Best practice experiences and tips & tricks of Supine PCNL	Vincent DE CONINCK
12:00-12:30	Panel discussion	
12:30-12:45	Break	
	Session V: Hepatobiliary Moderator: Chung Ngai TANG, Tan To CHEUNG, Oliver CHAN	
12:45-13:00	Standardization of pure laparoscopic right hepatectomy	Daniel CHERQUI
13:00-13:15	Evidence of minimally invasive hepatectomy for liver cancer	Tan To CHEUNG
13:15-13:30	Precise anatomical minimally invasive pancreaticoduodenectomy	Yuichi NAGAKAWA
13:30-13:45	MIS for pancreatectomy	Masafumi NAKAMURA
13:45-14:15	Panel discussion	
14:15-14:30	Break	
	Session VI: Hepatobiliary Moderator: Kit Fai LEE, William MENG, Daniel CHUNG	
14:30-14:45	Minimally invasive surgery in the treatment of biliary tumors	Luca ALDRIGHETTI
14:45-15:00	Minimally Invasive approach for PS segments of the liver	Roberto TROISI
15:00-15:15	Robotic distal pancreatectomy: to preserve the spleen or not	Kit Fai LEE
15:15-15:30	Learning curve and adoption of laparoscopic liver resections	Brian GOH
15:30-16:00	Panel discussion	
16:00-16:10	Closing remarks	Chung Ngai TANG
